On January 1, AB 32, went into effect to ban for-profit corporations from operating prisons and immigration detention centers in California. GEO and ICE are violating federal law, circumventing AB32, and trying to nearly double immigration detention beds in California.

Join us on this sacred journey to bear witness and make visible the suffering in our midst. We will visit GEO Detention Facilities as well as CDCR prisons targeted for re-purposing into immigration detention.

CDCR Prisons we will visit and hold rituals :

- **Golden State Modified Community Correctional Facility** (pop.700)
- **Central Valley Modified Community Correctional Facility** (pop.700)
- **Desert View Modified Community Correctional Facility** (pop. 700)

GEO Detention Centers we will visit and hold rituals:

Mesa Verde ICE Processing Center (pop. 400)

Adelanto ICE Processing Center (pop. 1950)
