

Nueva Esperanza Accompaniment Teams

Who do teams accompany?

Newly arrived immigrants in the beginning stages of their settling in the U.S. who have no support system

How do we get started?

Find a team of 5 interested volunteers from your congregation. Review intro materials and attend a training:!

Intro materials and training RSVP can be found at

What is Nueva Esperanza Accompaniment about?

A team of 5 volunteers from a congregation walk along side immigrants for 6 months to 1 year. Teams support immigrants' self-sufficiency as they establish their lives and access local resources:

- food banks
- health clinics
- public transportation
- legal support
- housing

Both volunteers and immigrants will be transformed building relationships across borders and cultures.
